Date: Page No.: 21.8.24 words

Teacher: Not all wild animals do that. Some animals eat plants. Giraffe, elephants and deer are plant-eaters. Some animals eat flesh. Lion, crocodile, tiger and shark are flesh-eating animals.

Jerry

: My father tells us to take good care of our animals.

Teacher

: Yes. We should treat animals with love and care. We should not hunt wild animals. Let them live peacefully in the forest, which is their home.

Learn Words

surround: to be all around somebody

animal-lover: a person who loves animals

pet: an animal kept at home as a companion

hunt: kill animals for food or enjoyment

peacefully: without being disturbed
