Match the animals with what they produce

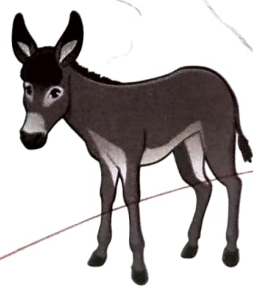

Hand-drawn lines connect the products to the animals: Milk carton/bottle/cheese to Cow, Rooster to Eggs, and Sheep to Yarn.

Encircle the animals that help us to transport things from one place to another

Hand-drawn circles encircle the camel and the horse. A red line connects the camel to the donkey. A handwritten note '1/8/25' is next to the donkey.

Put the sign $<$, $>$, $=$

भारत की सैर

चलो करे भारत की सैर,
जहां गिर में रहता बबबर शेर ।
दक्षिण को छूते नीले सागर,
उत्तर में फैली बर्फ की चादर ।
रेगिस्तान का रंग निराला,
गंगा जैसे इसकी माला ।
देश की सफाई का रखना ध्यान,
तभी बनेगा भारत महान ।
