F

# h

A close-up of a handwritten letter 'F' on lined paper. The letter is drawn with a blue pencil and has a red underline. The letter is positioned on the top line of the paper, with its base on the middle line. The red underline is a single horizontal stroke that extends to the right of the letter.

# h

A handwritten lowercase letter 'e' is shown on lined paper. The letter is formed with a blue ink stroke, starting from a red dot at the top left, curving around to the right, and then back down to the starting point. A red checkmark is drawn next to the letter, indicating it is correct.

A close-up of the letter 'F' from the previous image, showing its placement on lined paper. A large red checkmark is drawn next to it, indicating it is correctly formed.

h

f

A close-up of a handwritten number '9' on lined paper. The number is written in black ink and is positioned between the middle and bottom lines. A large red checkmark is drawn over the number, indicating it is correct.

A close-up of a handwritten lowercase letter 'e' on lined paper. The letter is formed with a blue ink pen and is positioned on the middle line. A red checkmark is drawn below the letter, indicating it is correct.

A close-up of a handwritten lowercase letter 'f' on lined paper. The letter is formed with a blue pen, showing a vertical stem and a curved top. A large red checkmark is drawn next to it, indicating it is correct.

A close-up of a handwritten lowercase letter 'f' on lined paper. The letter is formed with a single stroke, starting from the middle line, going up to the top line, and then down to the bottom line. A red checkmark is drawn next to the letter, indicating it is correct.

A close-up of the letter 'b' written on lined paper. A red arrow points to the bottom curve of the letter, indicating the direction of the stroke.

Handwritten letter 'P' on lined paper with a red checkmark.

h

A close-up of a handwritten lowercase letter 'f' on lined paper. The letter is written in black ink and is positioned between the middle and bottom lines. A red checkmark is drawn next to the letter, indicating it is correct.

A close-up of a handwritten letter 'h' on lined paper. The letter is drawn with a blue pen and has a red checkmark next to it, indicating it is correct.

A close-up of a handwritten lowercase letter 'g' on lined paper. The letter is written in dark ink and is positioned between the middle and bottom lines. A large, bright red checkmark is drawn over the letter, indicating it is correctly written.
