Some animals live on land while some live in water and some fly in the air.

Write **L** for animals which live on land, **W** for animals which live in water and **A** for creature that fly in the air

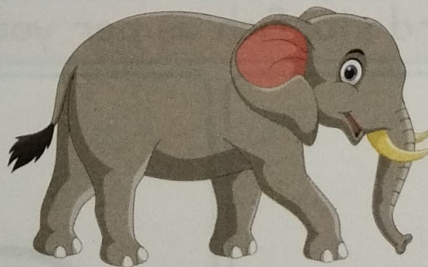

Discuss: Name any two animals which can live both on land and water.
(Tortoise, Frog)

भारत की सैर

चलो करे भारत की सैर,
जहां गिर में रहता बबबर शेर ।
दक्षिण को छूते नीले सागर,
उत्तर में फैंली बर्फ की चादर ।
रेगिस्तान का रंग निराला,
गंगा जैसे इसकी माला ।
देश की सफाई का रखना ध्यान,
तभी बनेगा भारत महान ।
