The Hawk and The crow

Q / Ans

Q1 why did the hawk decide to look after and hatch the untended eggs?

Ans The hawk saw the eggs abandoned by their mother and felt sad so she decided to hatch them and raise them on her own.

Q2 why did the hawk refuse to give the chicks back to the crow?

Ans ~~Because~~ she hatch the eggs and looked after the chicks as ^{their} ~~thier~~ true mother.

Q3 Do you think the hawk was a good

mother? why or why not?

Ans Yes, the hawk was a good mother as she ~~cared~~ and ~~loved~~ chicks very much she hatched them, fed them and taught them how to fly.

Q4 Was the crow justified in laying claim over her chicks? why or why not?

Ans No, crow was not justified in ~~laying~~ claim on her chicks as she had not taken care of them in any way.

Q5 Describe in your own words how the eagle settled the dispute between the crow and the hawk.

Ans The eagle listened to both crow and hawk. Eagle heard both sides of stories and felt hawk was ~~Real~~ mother but crow insisted that the chicks opinion should be taken. The eagle agreed and asked the chicks, chicks chose hawk as ~~their mother~~.
