Trace the alphabet **A** to **Z** in sequence

Tracing practice lines for the alphabet A to Z. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row shows the letter 'A' at the beginning, followed by four dots indicating the starting point for tracing. The subsequent rows are blank, each starting with a dot. The final row shows the letter 'Z' at the end, followed by four dots.
