Housing and clothing

29/9/24

DATE Wednesday
PAGE C.W

Q1 Why do we need a house ?

Ans We need a house because :-

1 A house protect us from the changing weather like heat, cold, rain and strong winds.

2 Our belongings like clothes, books, jewellery and utensils are safe in it.

3 We stay with our loved ones comfortably in our house.

Q2 Why does a house need doors and windows ?

Ans A house needs doors and windows because it allow fresh air and sunlight to come in. Sunlight helps to kill germs.

Q3 Write two differences between a kutcha house and a pukka house?

Ans

	Kutcha	Pukka
1	They are not strong and can get easily broken, and blown away.	They are strong and are not affected by storms
2	Huts are also called kutcha houses.	2 Bungalows flats and apartments are some examples of pukka house.
3	They are made up of bamboo mud, straw.	3 They are made up of cement, bricks iron and steel.

Q4 What are the different types of fibres? Describe them

DATE
PAGE

Ans 4

	Natural	Human-made fibres
1	Natural fibres are obtained from plants and animals	1 Human-made fibres are called synthetic fibres.
2	Plant fibres include cotton, jute and flax.	2 These include nylon, polyester and terry cotton.

Q5 Describe three different types of patterns made on clothes ?

Ans 5 Pattens clothes are :-

1 Block Printing

Block printing is done with wooden blocks that have

carved patterns on them. We dip these blocks into paint and press them onto cloth to make designs

2. Kalamkari

Kalamkari is a method of painting designs on cloth using a special pen or kalam. Bihar is famous for its kalamkari work.

3. Embroidery

Embroidery is done using needle and thread. Threads of different colours are used to create patterns on cloth.
