Learn and Understand

Multiplication Tables

Explore More

We have learnt the multiplication tables of 2 to 5 in our previous class. Now let us learn the multiplication tables of 6 to 10.

Digi Corner

Using MS Paint/Tux Paint, create attractive bookmarks and write the multiplication tables of 6 to 10 on them.

Multiplication Tables

near a tree in the
'Pride of India' tree.

'They are one of the most beautiful flowering trees in India. Their lavender flowers can commonly be seen in parks and gardens. They have medicinal qualities,' Dada said.

enchanted: filled with pleasure

uniqueness: the quality of being different

symbolize: represent

Gulshan Dada told Kanchan about flowers for hours. After staring at them for a long time, Kanchan fell asleep in the gentle garden breeze. Her dreams were filled with many colours just like the flowers.

17/7/26

friday

Read and Reflect
